

# Thoai D. Ngo – PhD, MHS

Location: New York, NY

Email: [tngo@popcouncil.org](mailto:tngo@popcouncil.org)

Web: [ThoaiDNgo.com](http://ThoaiDNgo.com)

---

- I am an epidemiologist and a social scientist specializing in interdisciplinary research on a variety of global health and development issues. My areas of focus include adolescent health and empowerment, sexual and reproductive health, HIV/AIDS, COVID-19, health equity, education, gender norms and equality, violence, and poverty alleviation.
- Currently, I serve as the Vice President of [Social and Behavioral Science Research](#), and I am the Founding Director of the [Girl Innovation, Research, and Learning](#) (GIRL) Center at the [Population Council](#).
- Previously, I held positions as the Global Director of the Poverty, Gender, and Youth Program at Population Council, Senior Director/Vice President of Research at [Innovations for Poverty Action](#), Head of Global Research at [MSI Reproductive Choices](#), a researcher at [Johns Hopkins University](#), and a research fellow at the [National Institutes of Health](#).
- As an advisor on policy and research, I have collaborated with multilateral and bilateral donors, private foundations, universities, United Nations, and government agencies worldwide.
- I have served as the Board Chair for [Ibis Reproductive Health](#) and an editorial committee member for [Studies in Family Planning](#).
- I pride myself on being a results-oriented global health and development leader, non-profit innovator, multidisciplinary research strategist, and resource mobilizer. I am passionate about using data and science for social justice, health equity, and gender equality.
- I obtained my PhD in epidemiology and population health from London School of Hygiene and Tropical Medicine, and a Master in Global Disease Epidemiology and Control from Johns Hopkins Bloomberg School of Public Health. I lecture at leading global health universities.

## COUNTRY EXPERIENCE

---

- Bangladesh, Cambodia, China, Ethiopia, India, Ghana, Guatemala, Kenya, Mexico, Myanmar, Nigeria, Philippines, Senegal, Sierra Leone, Uganda, United Kingdom, Viet Nam, Zambia, and United States.

## PROFESSIONAL EXPERIENCE

---

### [POPULATION COUNCIL](#) – NY, USA

April 2021-Present

#### Vice President, [Social and Behavioral Science Research](#)

- Head of the social and behavioral science research (SBSR) department which is responsible for advancing the Population Council's global research agenda and implementing its strategy to expand sexual and reproductive health rights, and choices, empower adolescents and young people to reach their full potential, achieve gender equality and equity, and pursue justice in the face of climate and environmental changes. Lead a global team of interdisciplinary scientists and researchers based in 12 countries with expertise in demography, epidemiology, economics, public health, sociology, and science communications. Oversee the Council global social and behavioral science research portfolios and initiatives to conduct rigorous science, generate high quality evidence and innovative data products, and communicate evidence strategically to influence social, economic and health policies and investments. Oversee the development of Council two high impact scholarly journals - [Population and Development Review](#) and [Studies in Family Planning](#). A member of the Council [Executive Leadership Team](#).

#### Program Director – [Poverty, Gender, and Youth Program](#) (PGY)

Mar 2017-2021

#### Deputy Program Director – PGY

Jul 2016-Mar 2017

- Direct a global research and innovation program that seeks to understand and address the social dimensions of poverty, the causes and consequences of gender inequality, and the disparities and opportunities that arise early in life and in adolescence.

#### Founding Director – [GIRL Center](#) – Girl, Innovation, Research, & Learning

Mar 2017-Present

- Founded the Girl Innovation, Research, and Learning (GIRL) Center - a global research center that generates, synthesizes, and translates evidence to transform the lives of adolescents.

### [IBIS REPRODUCTIVE HEALTH](#) (Ibis) – Cambridge, USA

#### Board Chair (2019-2022)/Member

2016-Present

- Provide strategic advice, governance and fiduciary duty to Ibis in order to drive change through bold, rigorous research and principled partnerships that advance sexual and reproductive autonomy, choices, and health worldwide.

## PROFESSIONAL EXPERIENCE

---

### INNOVATIONS FOR POVERTY ACTION (IPA) – NYC, USA

**Senior Director/Vice President** - Research & Knowledge Management Department **2014-2016**

- Directed IPA's corps of 500+ research staff to ensure quality implementation of 250+ impact evaluations on poverty alleviation interventions and programs across five major sectors, health, education, microfinance, governance and agriculture, in 18 countries. A member of the Senior Executive Team.

### MSI REPRODUCTIVE CHOICES (MSI) – London, UK

**Head of Global Research** – Research, Monitoring, & Evaluation Department **2011-2014**

- Directed MSI global research strategy on sexual reproductive health (SRH) across 37 countries with the responsibility of scientific and technical leadership on: 1) Monitoring & Evaluation (M&E) of SRH Programs; 2) Research Capacity Training Program; & 3) Research development and implementation of SRH research and evaluations.

**Associate Director, Evidence & Innovation** – Evidence & Innovation Department **2009-2011**

- Directed a multi-disciplinary global team focusing on 1) research on SRH; 2) impact analysis of SRH programs and policies; 3) health management information system (HMIS); and 4) innovation and best practice on SRH – working across 42 countries.

### OTHER RESEARCH & POLICY APPOINTMENTS

**2002-2009**

- **Vietnam's General Office for Population and Family Planning (GOPFP) of the Ministry of Health (MOH)** – Government Consulting – Ha Noi, Viet Nam, 2015
- **World Health Organization**, Research Consultant – Geneva, CH 2008-2009
- **Johns Hopkins School of Public Health**, Research Associate/Principal Investigator (Department of Epidemiology) – Ha Noi, Viet Nam - 2008-2009
- **Marie Stopes International**, Research Consultant – London, UK 2008-2009
- **National Institutes Health (NIH/NIAID)**, Technical Research Training Award Fellow & Intramural Research Training Award Fellow – Baltimore, MD, USA - 08/05-06/08
- **Physicians for Human Rights (PHR)**, Health Policy Analyst [Part-time] – Washington, DC - 08/07-06/08
- **British Hygiene Care Uganda (BHCU)**, Public Health Advisor– Lira, Uganda - 10/05-05/08
- **University of the Sciences in Philadelphia (USP)**, The Melvin Firman Research Scholar & The Viehover Research Fellow (Department of Biology) – Philadelphia, PA, USA - 2002-2005

### SERVICES & TEACHING

**2007- Present**

#### Teaching (Selected)

- **Stanford University – Center on Global Poverty and Development** – Guest Lecturer
- **Columbia University** - Mailman School of Public Health – Guest Lecturer
- **London School of Hygiene & Tropical Medicine**, Faculty of Epidemiology & Population Health - Visiting Lecturer & Supervised PhD/MSc. Students (ended in 2016)
- **Hanoi Medical University** - Visiting Lecturer (ended in 2014)
- **University College of London** - Supervised M.Sc. Students (ended 2014)
- **Johns Hopkins Bloomberg School of Public Health** - Course Coordinator (ended in 2008)

#### Societies/Membership (Selected)

- The Rotary Foundation-Rotary International (2007-), Sigma Xi, The Scientific Research Society-Elected Member (2004-), The Cochrane Collaboration: Fertility Regulation Group (2009-), Editorial Member for Studies in Family Planning (2016-2020), 120 Under 40 (2017 Winner)

**Reviewer:** I serve as a reviewer for a many global health and development conferences and journals. Some of these journals include the Lancet, BMJ Global Health, Cochrane Collaboration, Bulletin of WHO, PloSOne, Studies in Family Planning, and others.

**Advisory:** I advise multilateral and bilateral donors, private foundations, universities, United Nations agencies, and governments on their health and development investments.

## EDUCATION

---

- **Ph.D. Epidemiology & Population Health Department, Rotary International Ambassadorial Scholar**, London School of Hygiene & Tropical Medicine, UK
- **Master of Health Science (MHS) – Global Disease Epidemiology and Control - Department of International Health, The Ray S. Shoemaker Scholar**, Johns Hopkins Bloomberg school of Public Health, USA
- **Certificate in Vaccine Science & Policy**, Johns Hopkins Bloomberg school of Public Health, USA
- **Certificate in Health & Human Rights**, Johns Hopkins Bloomberg school of Public Health, USA
- **Bachelor of Science (B.Sc.) – Cellular/Molecular Biology, The Melvin Firman Scholar**, University of the Sciences in Philadelphia, USA

## NATIONALITY & LANGUAGES

---

- **Nationality:** American
- **Languages:** Fluent in English and Vietnamese (Written & Oral)

## POLICIES, PRESENTATIONS & ABSTRACTS (Summary)

---

- More than 200 policies document, presentations, and abstracts at international conferences and invited talks on a wide range of global health and development topics, including program evaluations of health service delivery models, health systems/financing mechanism, disease diagnostic techniques, sexual reproductive health, HIV/AIDS, open science and data, girls' education, child marriage, violence, social and economic empowerment, migration and urbanization, climate change, and poverty alleviation in Latin America, Asia and sub-Saharan Africa.
